Dear Mr. and Mrs. McClintock,

Thank you very much for your generous donation to the Flagler College Resident Advisor program. I am a junior, Fine Art major with a 3.2 GPA, and a recipient of your donation. I have worked hard to learn as much as I can from my classes and find jobs that will exhibit my talents and explore my interests in art and the education field. I have enjoyed working with kids through camp programs such as Sea World Adventure Camp and The Lighthouse for the Blind. I have plans to continue my education in graduate school after graduating from Flagler College. My dream is to become an art teacher. I would like to touch the lives of children through artistic expression.

With my Bright Futures scholarship, the Florida Resident Access Grant and financial support from generous people like you, I am able to pay for my education at Flagler. This kind of help makes it easier to focus on my classes and make my goals a reality. Thank you tremendously.

Sincerely,
