Dear Mr. & Mrs. John McClintock:

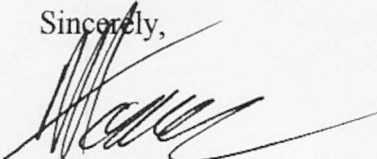

I would like to take the opportunity to thank each and every trustee on the Clint Foundation for my award of the Clint Foundation Grant. Your good will is helping me get through the financial aspect of college and is greatly appreciated.

This year, I am a junior with a 3.8 majoring in Communication with an emphasis on public relations and also in Spanish. I am also currently a resident advisor, president of the Public Relations Club, and a member of; Omicron Delta Kappa, The Who's Who of American Colleges and Universities, and the Florida Beta Chapter of Alpha Chi. I am also happy to announce that I have currently been awarded an internship at a prominent communication consulting firm in Jacksonville!

Last semester I masterminded a fundraiser for the Learn to Read Foundation, an organization dedicated to aiding in the fight of illiteracy and poor math skills among those looking for jobs. I also spearheaded a canned food drive dedicated to collecting donations for the Catholic Charities and other organizations in St. John's County.

Graduating from Flagler means the world to me. I have been very fortunate not to incur any debt in the process, however. It is because of organizations and people like you that allow me to do so. So, I extend my greatest gratitude to all who read this letter. Thank you.

Sincerely,

Alan Monroe
